AGSU Doctors Without Borders/ Médecins sans frontières Fundraiser

Last Tuesday, the AGSU Executive Team announced our fundraiser in support of Doctors Without Borders/ Médecins sans frontières Fundraiser. Doctors Without Borders/ Médecins sans frontières Fundraiser is an organization that is actively delivering medical supplies to hospitals and healthcare facilities in Gaza to address the pressing medical needs of the region.

To jumpstart our fundraiser, AGSU pledged an initial \$1000 donation, and **we are thrilled to announce that in less than a week, we have already surpassed our initial goal of \$5000!** The AGSU Executive Team would like to wholeheartedly thank all those who shared and donated to our fundraiser.

Let's keep the momentum going by sharing our fundraiser even further beyond our departmental community to continue supporting the invaluable work of Doctors Without Borders as they provide vital humanitarian aid in Gaza.

Together, as a community, we can make a significant impact on those in dire need. Your kindness and support are truly appreciated.
